Experience

INDUSTRIAL FAMILIARIZATION INTERNSHIP
Central Institute of Plastics Engineering & Technology, Palakkad · Aug–Sept 2025

- Operated injection moulding machines and assisted in industrial lab practices.
- Gained hands-on exposure to production processes, quality checks, and equipment handling.

Projects

DESIGN AND FABRICATION OF AN AUTOMATED CHAIR CUM BED MECHANISM FOR BEDRIDDEN PATIENTS
Final Year Main Project · Completed (July 2025- May 2026)

- Developing a rack-and-pinion automated chair-cum-bed system
- Selection of motors, gearboxes, sensors, and materials for safe and reliable operation
- Integrated automation and limit switches for controlled motion

CFD ANALYSIS OF A NON-SYMMETRIC AIRFOIL (NACA 4412)
Personal project · Completed (November 2025)

- Performed CFD simulation of NACA 4412 airfoil to analyze airflow, pressure, and lift
- Worked on mesh generation, boundary conditions, and solver setup
- Analyzed velocity and pressure contours for aerodynamic validation

Education

VIDYA ACADEMY OF SCIENCE AND TECHNOLOGY, THALAKOTTUKARA — **Thrissur**
Degree: Bachelor of Technology (B.Tech) — 2022- 2026
Major: Mechanical Engineering

ST. ALOYSIOUS HIGHER SECONDARY SCHOOL, ELTHURUTHU (12th Grade) — **Thrissur**
Board: Higher Secondary Education Kerala (HSE) — 2020-2022
Major: Electronics Science

DON BOSCO CENTRAL SCHOOL, MANNUTHY (10th Grade) — **Thrissur**
Board: The Indian Certificate of Secondary Education (ICSE) — 2019-2020

Professional Membership

Member
American Society of Mechanical Engineers [**ASME**] — 2026 - Present
Member since: 2026
Membership ID: 22053906427

Leadership Experience

STUDENT COORDINATOR – CAD MASTER 2025 (Viyvidh'25 Technical Fest)
Vidya Academy of Science and Technology · Sept 2025

- Led planning and execution of a CAD competition with 50+ participants, coordinating with faculty and judges.
- Managed volunteers, logistics, scheduling, and resource allocation for smooth event operations.

STUDENT EDITOR – MEK'D 2024 (Mechanical Department Magazine)
Vidya Academy of Science and Technology · 2024

- Reviewed and refined student technical articles to improve clarity and quality.
- Compiled and submitted finalized content for editorial approval and publication.

Skills

SOFTWARE: Autodesk **AUTOCAD**, **ANSYS** Workbench, **CATIA**, Autodesk **Fusion**, Autodesk **Inventor**, **MATLAB** (Fundamentals), **Simulink** (Fundamentals), **Python** (Basics), Microsoft **Excel** & Microsoft **Word**
Languages: English [Professional Fluency], **Malayalam** [Native], **Hindi** [A2]

Certifications

Autodesk Certified Professional: Revit MEP (Mechanical)
MATLAB Onramp – MathWorks
Microsoft Azure Data Fundamentals
